TRUCK TRAFFIC ON UTAH HIGHWAYS

2015

**UTAH DEPARTMENT OF TRANSPORTATION
PROGRAM DEVELOPMENT DIVISION
TRAFFIC ANALYSIS SECTION**

IN COOPERATION WITH

**U.S. DEPARTMENT OF TRANSPORTATION
FEDERAL HIGHWAY ADMINISTRATION**

INTRODUCTION

This book contains traffic statistics collected by the Transportation Monitoring Unit and developed and analyzed by the Traffic Analysis Section of the Program Development Division of the Utah Department of Transportation. These statistics are intended for use by transportation management, business, and the public. The traffic information is used in planning, programming, highway design, maintenance, traffic control and general administration of highway systems.

The traffic information contained in this book is Annual Average Daily Traffic (AADT) on road sections of the State Highways and the corresponding percentage of Truck Traffic on each section. These statistics are developed by the Traffic Analysis Section through the use of the following counting stations:

1. 110 continuously operated permanent automatic traffic recording stations (ATRs) provided by the Utah Department of Transportation;
2. 4 continuously operated permanent automatic recording stations provided by Colorado, Idaho and Wyoming Departments of Transportation;
3. 6,005 (approximately) short-time counts provided by the Utah Department of Transportation;
4. Over 750 Classification counts for 2015 provided by the Utah Department of Transportation;

The AADT represents traffic in both directions of travel and is the average for that particular section of route. The routes are sectioned according to:

- a. Major intersections
- b. Sections where traffic volumes show a substantial increase or decrease.

The Truck Percentages Single and Combo are represented by the FHWA Vehicle Classifications below Single Commercial Vehicles are Classification 4 through 7 and Combo is represented by Classification 8 through 13.

FHWA Axle Classification Scheme

Class 1 Motorcycles		Class 7 Four or more axle, single unit	  
Class 2 Passenger cars		Class 8 Four or less axle, single trailer	 
			 
			 
			 
Class 3 Four tire, single unit		Class 9 5-Axle tractor semitrailer	 
			 
			 
Class 4 Buses		Class 10 Six or more axle, single trailer	 
			 
			 
Class 5 Two axle, six tire, single unit		Class 12 Six axle, multi-trailer	 
			 
			 
Class 6 Three axle, single unit		Class 13 Seven or more axle, multi-trailer
